

## Sunny the Firefly Lyrics

Sunny the firefly couldn't find his light.  
All the other fireflies seemed to shine so bright.  
Everything that Sunny tried, just left him in the dark.  
He couldn't light, no not even a spark. (Oh No!)  
He couldn't light, no not even a spark.

### CHORUS

Let your light shine bright.  
Let your light shine free.  
Let your light shine bright enough for everyone to see.  
Everyone's light shines a little differently.  
So, won't you let your light shine.  
Let your light shine.

Sunny set off one day, he thought he'd fly so far.  
But those little Krankler kids they put him in a jar. (Yikes!)  
It took a team to break him free and it was quite a sight!  
The night that Sunny finally found his light.  
The night that Sunny finally found his light.

### CHORUS

Let your light shine bright.  
Let your light shine free.  
Let your light shine bright enough for everyone to see.  
Everyone's light shines a little differently.  
So, won't you let your light shine.  
Let your light shine.  
Let your light shine.  
Shine,  
Shine,  
Shine bright!
